

## BUS SCHEDULING AND ROUTING

School bus stops and routes will be determined by the administration and route driver and will be based upon efficiency, safety, Board policy and applicable state and federal laws and rules.

The administration will:

1. Annually review and assess school bus routes, stops and loading zones for safety, changing student population and supervision of students;
2. Advise parents of any changes in transportation policy affecting their students as early as possible and be responsive to parents' calls for assistance in seeking alternatives to busing; and
3. Work with cities, the county and other appropriate governmental agencies on a continuing basis regarding transportation issues.
