

## STUDENT INSURANCE

Students shall have the opportunity to participate in the health and accident insurance plan selected by the school district. The cost of the health and accident insurance program shall be borne by the student. Participation in the insurance health and accident plan is not a contract with the school district, but rather, a contract between the insurance company and the student.

Students participating in intramural or extracurricular athletics shall be required to have health and accident insurance. The student shall bring written proof of insurance or participate in the health and accident insurance program selected by the school district.
